Hi Jennie. I don't have a problem with that extension. I think that is reasonable.

Stacie,

Mr. Tyson submitted the attached extension request for Horizon Land Management's response to the IRL (currently due 7/31/20) for the 3 mobile home WWTPs in Maryland. He cited multiple reasons for needing an extension, including the recent acquisition of the mobile home WWTPs by Horizon, need to obtain information from subcontractors, and lack of personnel in the office due to vacations and COVID. Please let me know if you have any objections to granting the request for extension – through the end of August, essentially 30 days.

Thanks,

Jennie Brancho
